Squash

Head Perfect Power
 (Natural) 1.30mm

Superior power and maximum feel. Multifilament core provides plentiful power, whilst an Anti-Abrasion coating provides excellent durability..

£18.00
 (3702)

Karakal Hot Zone
 (Blue) 1.20mm

A power rich string finished with Nano Elastomer resin, enhancing the feel and durability of the string. Ideal string for players looking for more power with good balance, comfort and control.

£19.00
 (3701)

Ashaway Supernick XL
 (White) 1.25mm

A classic string. Multi filament core with double braided multi filament jacket gives playability and durability. Textured surface for better control.

£21.00
 (135)

Ashaway Ultra Nick 17
 (Optic Green) 1.25mm

A perfect string for players who want power, durability and a soft feel. As used by many pros

£22.00
 (486)

Ashaway Power Nick 18
 (Red) 1.15mm

Excellent playability, top tier power, good durability. Better performance than Ultra Nick, at a slight cost to durability (due to the diameter of the string)

£22.00
 (4488)

Tecnifibre 305 Green
 (Green) 1.25mm

Maximum shock absorbtion. Great compromise between power and control. Multi filament. Thicker gauge enhances durability.

£22.00
 (136)

Tecnifibre DNAMX
 (Black) 1.25mm

High elasticity string giving you maximum power and feel. A very popular choice since its release in 2016.

£24.00
 (2804)

Grommet strips £6.50

Badminton
